(d) the right of the Association to grant and accept easements as provided herein and to dedicate or transfer all or any portion of the Common Property to Walton County, Georgia or to any other public agency or authority, public service district, public or private utility, or other Person provided that any such transfer must be approved by the Members representing a Majority of the Total Association Vote and the Declarant until Buildout; provided, however, Declarant shall have the unilateral right, prior to the Conversion Date, to dedicate, transfer, grant or accept property, permits, licenses or easements for utilities, roads and other purposes reasonably necessary or useful for the proper development, maintenance or operation of the Property;

(e) the right of the Declarant or, after Buildout, the Association with the approval of Members representing a Majority of the Total Association Vote, to alter, change, close or otherwise modify any portion of the Common Property;

(g) the right, but not the obligation, of the Declarant or, after Buildout, the Association after approval by Members representing a Majority of the Total Association Vote, to install and maintain guarded or electronically-monitored gates controlling vehicular access to and from the Property.

**Section 3. Reserved Easements.** Declarant hereby reserves, in addition to the other easements in this Declaration, the perpetual, alienable and transferable easement and right, for the benefit of the Declarant and its successors and assigns and, subject to regulation by the Declarant, for the benefit of Builders, to enter and travel upon over and across the Community, including the Common Property, for the purpose of completion and repair of Improvements within the Property including construction, alteration, maintenance or repair of Improvements and dwellings on Lots, and for all reasonable purposes to further assist and enhance the marketing and construction and sale of the Property, Lots or dwellings, together with the easement in and to the Community, inclusive of the Common Property and Lots, for the maintenance of signs, sales offices, construction offices, business offices, and such other facilities the Declarant, in its sole opinion, may deem required, convenient, necessary or incidental to the completion, improvement and/or marketing and sale of Lots, dwellings or the Community until Buildout. Any damage to any Lot, dwelling or any portion of the Community occurring during the use of the foregoing easement or rights shall be repaired by the Person who caused such damage.

Easement for Association.** There is hereby reserved for the benefit of the Association, its officers, board members, agents and employees, including, but not limited to any manager employed by the Association and any employees of any such manager, a general right and easement to enter upon any Lot in the performance of its respective duties. Except in the event of emergencies, this right and easement is to be exercised only during normal business hours and, whenever practical, only upon advance notice and with the permission of the Owner of the Lot directly affected thereby.

**Section 5. Easement for Maintenance.** Declarant hereby grants to the Association a perpetual easement across all Lots as may be reasonably necessary for the maintenance required hereunder. Such maintenance shall be performed with a minimum of interference to the quiet enjoyment of the Lots, reasonable steps shall be taken to protect such property, and damage shall be repaired by the Association or its contractors at their sole cost and expense. Except in an emergency situation, entry to the dwelling located on a Lot shall only be during reasonable hours and after notice to the Owner.

**Section 6. Alterations to Lots and Common Property.** There is hereby reserved in and to Declarant the right to alter, modify or realign the boundaries or configuration of the Common Property or any Lot owned by Declarant including, but not limited to, the right to alter the size, shape, slope and terrain of such Lots and the Common Property. Any such alteration shall be shown by an amendment to the plat depicting such Lot or Common Property which is recorded in the appropriate land records.

**Section 7. Easements During Construction and Sale Period.** Notwithstanding any provision now or hereafter contained in this Declaration, the Bylaws, Articles of Incorporation, use restrictions, Rules and Regulations, architectural guidelines, and any amendments thereto, Declarant reserves easements across the Community to construct, maintain and carry on, upon such portions of the Community as it may reasonably deem necessary, such facilities and activities as in the sole opinion of Declarant may be required or convenient for its development, construction, and sales activities related to the property hereby and hereafter subjected to this Declaration or for the development, construction or benefit of any neighboring property, including, but not limited to: (a) the right to place or authorize the placement of marketing and

directional signs on Lots or right-of-way(s) at street intersections within the Community; (b) the right of access, ingress, and egress for vehicular and pedestrian traffic and construction activities over, under, on or in the Community, including, without limitation, any Lot; (c) the right to tie into any portion of the Community with streets, driveways, paths, parking areas, and walkways; (d) the right to tie into and/or otherwise connect and use (without a tap-on or any other fee for so doing), replace, relocate, maintain and repair any device which provides utility or similar services including, without limitation, electrical, telephone, cable television, natural gas, water, sewer and drainage lines and facilities constructed or installed in, on, under and/or over the Community; (e) the right to grant easements over, under, in or on the Community, including, without limitation, the Lots, for the benefit of neighboring properties for the purpose of tying into and/or otherwise connecting and using sewer and drainage lines and facilities constructed or installed in, on, under and/or over the Community; (f) the right to convert Lots (with the consent of the Owner thereof) to Common Property and/or streets; (g) the right to construct recreational facilities, utilities and other improvements on the Common Property; (h) the right to carry on sales and promotional activities in the Community; (i) the right to construct and operate business offices, signs, construction trailers, model residences and sales offices. Declarant may use dwellings, offices, or other buildings it owns or leases as model residences and sales offices without charge. This Section shall not be amended without the written consent of Declarant until its rights hereunder have terminated as herein provided.

**Section 8. Easement for Utilities.** There is hereby reserved to the Declarant and granted to the Association a blanket easement upon, across, above, and under all property within the Community for access, ingress, egress, installing, altering, repairing, replacing, and maintaining all utilities serving the Community or any portion thereof, including, but not limited to gas, water, sanitary sewer, telephone, and electricity, as well as storm drainage and any other service such as, but not limited to, a master television system, or security system which the Declarant or the Association might decide to have installed to serve the Community. Declarant, the Association or the designees of the foregoing, as the case may be, may install, repair, replace, and maintain or authorize the installation, repair, replacement, and maintenance of such wires, conduits, cables, and other equipment related to the providing of any utility or service. Should any party furnishing any such utility or service request a specific license or easement by separate recordable document the Declarant or the Board shall have the right to grant such license or easement. The Board of Directors, without a vote of the Owners, shall have the rights, power, and authority to grant permits, licenses, utility easements, and other easements under, through, or over the Lots and/or Common Property, as may be reasonably necessary or desirable for the ongoing operation and maintenance of the Community.

**Section 9. Easement for Emergency Entry.** The Association shall have the right, but not the obligation, to enter upon any Lot for emergency, security, and safety reasons and to inspect for the purpose of ensuring compliance with this Declaration, the Bylaws, and Rules and Regulations, which right may be exercised by any member of the Board, the officers, agents, employees, and managers of the Association, and all policemen, firemen, ambulance personnel, and similar emergency personnel in the performance of their respective duties. This right of entry shall include the right of the Association to enter upon any Lot to cure any condition which may increase the possibility of a fire or other hazard in an emergency situation and in the event an Owner fails or refuses to cure the condition within a reasonable period of time after requested by

the Association, but shall not authorize entry into any dwelling located on a Lot without the permission of the Owner.

**Section 10. Easement for Drainage.** There is hereby reserved by the Declarant and granted to the Association an easement upon, across, above, and under all storm water drainage easement areas as shown on the recorded subdivision plat(s) for the Community for access, ingress, egress, installing, altering, repairing, replacing, and maintaining the storm water drainage system and related facilities serving the Community or any portion thereof. This easement shall include the right to construct and maintain catch basins, retention ponds, detention ponds, drainage swales, storm sewers, storm drains, sloping banks, cut or fill. In addition, there is hereby reserved to the Declarant and granted to the Association a blanket easement across all Lots for creating and maintaining satisfactory drainage in the Community, provided, however, such easement area shall not include any dwelling located on a Lot. It is anticipated that increased storm water runoff across downstream Lots will result from the construction of impervious surface within or adjacent to the Community. Neither the Declarant, the Association, nor any Builder shall have any liability to any Owner due to increased flow or increased velocity of surface water resulting from approved construction within the Community.

**Section 11. Easement for Entry Features and Streetscapes.** There is hereby reserved for the benefit of Declarant, the Association, and their respective successor and assigns, the perpetual, transferrable, and alienable right and easement upon, over, and on the Lots within the Community, for the installation and maintenance of entry features, signs, lights, berms, trees bushes, shrubbery, flowers, grass, and other landscaping. The easement reserved herein shall include the right to repair and replace such entry features, signs and lighting, to cut, remove and plant trees, shrubbery, flowers, grass and other vegetation, and to grade the land in such easement area.

**Section 12. Easement for Private Streets.** Declarant hereby grants, conveys, declares, creates, imposes, and establishes a perpetual, non-exclusive right-of-way easement for vehicular and pedestrian access, ingress, and egress over and across the private streets located within the Community. At such time as one or more subdivision plats for the property submitted to this Declaration are recorded in the real estate records of the Office of the Clerk of Superior Court of Walton County, Georgia, any reference to the private streets shall then and thereafter mean a reference to the private streets as actually constructed and depicted on the recorded subdivision plat. The right-of-way easement herein granted shall permit joint usage of such easement by: (a) Owners and occupants of Lots; (b) the legal representatives, successors, and assigns of Owners; and (c) invitees and licensees of Owners and occupants of Lots. Declarant expressly reserves for itself, its successors, and assigns, all rights and privileges incident to the ownership of the fee simple estate of any right-of-way easement areas which are not inconsistent with the rights and privileges herein granted, including, without limitation, the right to maintain one or more proprietary signs on the easement area and the right to grant additional non-exclusive easements to third parties, over, under, and across the easement area. Declarant hereby reserves for the benefit of itself and grants to the Association the perpetual non-exclusive right and easement upon, over, and across those utility easement areas and private streets for the installation, maintenance, and use of such private streets, grading for proper drainage of said private streets, and related activities and improvements.

### ASSOCIATION MEMBERSHIP AND VOTING RIGHTS

Section 1. **Membership.** Every Person who is the record Owner of a fee or undivided interest in a Lot that is subject to this Declaration shall have a membership in the Association. The foregoing is not intended to include Persons who hold an interest merely as security for the performance of an obligation, and the giving of a security interest shall not terminate an Owner's membership. No Owner, whether one or more Persons, shall have more than one (1) membership per Lot. The rights and privileges of membership, including the right to hold office, may be exercised by a Member or the spouse of a Member, but in no event shall more than one (1) Person representing a single membership hold office at the same time. This Section is not intended to prohibit the same individual from being both an officer and a director of the Association. Nothing in this Section shall restrict the number of votes cast or the number of officers and directors appointed by the Declarant.

Section 2. **Voting.** The Association shall have two classes of voting Members, Class A and Class B.

(a) **Class A.** Class A Members shall be all Owners with the exception of the Class B Member, if any. On any issue brought before the Members, Class A Members shall be entitled to cast one vote for each Lot in which they hold the interest required for membership by Section 1, above. When more than one person holds an interest in any Lot, the vote for such Lot shall be exercised as those Owners themselves determine and if one of such multiple Owners exercises the vote without opposition by any other of such multiple Owners at the time such vote is exercised, the vote shall be as so exercised. In the event that more than one of such multiple Owners seeks to exercise the vote, the vote appurtenant to such Lot shall be suspended.

(b) **Class B.** The Class B Member shall be the Declarant. Prior to the Conversion Date, the Class B Member shall be entitled to cast votes equal to one hundred four percent (104%) of the aggregate number of votes eligible to be cast by all of the Class A Members (resulting in all of the Class A Members controlling not more than approximately forty nine percent (49%) of the eligible votes of all Members and the Class B Member controlling not less than approximately fifty one percent (51%) of the eligible votes of all Members). The Class B membership shall terminate upon the earlier of (hereinafter the "Conversion Date"):

- (i) ninety (90) days after Buildout; or
- (ii) the date on which the Declarant, in its sole discretion, chooses to terminate the Class B membership by filing of record with the Clerk of the Superior Court of Walton County, Georgia a written notice of such termination.

From and after the Conversion Date, the Class B Member shall be deemed to be a Class A Member entitled to one (1) vote for each Lot in which it holds the interest required for membership under Section 1, above.

Section 3. **Declarant Control.** Notwithstanding any other provision to the contrary in this Declaration, the Articles of Incorporation or By-Laws, Declarant retains the authority and right to

appoint and remove any member of the Board of Directors and any officer of the Association until the Conversion Date. Every grantee of any interest in the Property, by acceptance of a deed or other conveyance of such interest, agrees that the Declarant shall have the authority to appoint and remove members of the Board of Directors and officers of the Association in accordance with the foregoing provision of this Section.

## ARTICLE V

### ASSOCIATION POWERS AND RESPONSIBILITIES

#### A. IN GENERAL.

Section 1. Common Property. The Association, subject to the rights, easements and privileges set forth in this Declaration, shall be responsible for the management and control of the Common Property and all improvements thereon and shall keep the Common Property in good repair and in a clean and attractive condition. The Association and not the Declarant shall have the obligation and responsibility to purchase any personal property deemed necessary or desirable for use with the Common Property, and to maintain, repair and replace all of the foregoing, as the Board deems necessary and appropriate. The Association shall maintain, operate and preserve the Common Property for the good and benefit of the Community and the holders of easements herein provided for or contemplated. The Association, through action of its Board, may acquire, hold and dispose of tangible and intangible real or personal property.

Section 2. Services. The Association may pay for the services of any person or entity to manage its affairs or any part thereof and any other personnel as the Association's Board of Directors shall determine to be necessary or desirable for the proper operation of the Community. Such personnel may be furnished or employed directly by the Association or by any person or entity with which it contracts. The Association may obtain and pay for legal, accounting and any other professional services necessary or desirable in connection with the operation of the Community or the enforcement of this Declaration, the By-Laws and Rules and Regulations. The Association may, but shall not be required to, arrange as an Association expense to furnish trash collection, security, cable television, landscaping, lawn, and other common services to each Lot within the Community. All costs and expenses incident to any of the foregoing shall be a Common Expense.

Section 3. Rules and Regulations. The Association, acting through its Board of Directors, may promulgate Rules and Regulations governing the use and occupancy of the Lots, Common Property, all improvements located thereon, and governing the operation of the Community. The Rules and Regulations shall not, however, diminish, alter, or affect the rights of use, easements, permits, privileges or licenses provided to Declarant or its successors and assigns. Copies of all Rules and Regulations and any changes thereto, must be furnished by the Association to all Owners prior to their effective date. The Rules and Regulations shall be binding upon all Owners and their families, tenants, guests, licensees, invitees and agents. The Owner of each Lot shall be responsible for the conduct of his or her family members, tenants, guests, licensees, invitees, and agents and shall ensure that all of the foregoing individuals comply with the terms of this Declaration, the By-Laws and Rules and Regulations.

**Section 4. Implied Rights.** The Association may exercise any right or privilege given to it expressly by this Declaration or the By-Laws, Articles of Incorporation or Rules and Regulations of the Association, and every other right and privilege reasonably necessary to be implied from the existence of any such right or privilege or reasonably necessary to effectuate any such right or privilege. To the extent not otherwise required by Georgia law, this Declaration, the By-Laws or the Articles of Incorporation, the powers granted to the Association shall be exercised by the Board of Directors, acting through the duly elected officers of the Association, without any consent or action on the part of the Members.

**B. MAINTENANCE.**

**Section 1. Association Responsibility.** The Association shall maintain and keep in good repair the Common Property, which shall include, without limitation, the maintenance, repair, and replacement of all landscaping and improvements situated thereon. The Association shall also maintain (whether or not constituting Common Property) the following: (a) all entry features and entry area landscaping serving the Community, including, without limitation, any signage, entry features, or entry area landscaping and any irrigation and/or lighting system provided to such entry features, regardless of whether the same are located on a Lot, Common Property, or a public right-of-way; (b) all Community green space and open space; (c) any storm water detention/retention pond and storm water drainage facilities serving the Community, and any retaining wall, gate, fence, or other enclosure surrounding such storm water detention/retention pond(s), regardless of whether the same are located on Lots or Common Property, if and to the extent such storm water drainage facilities and storm water detention/retention pond(s) are not maintained on an ongoing basis by a governmental authority or third party; provided, however, the Association shall not be responsible for the maintenance, repair and replacement of any storm water drainage facilities which exclusively serve a Lot; (d) the Community recreational facilities and related parking areas, if any; (e) any street medians and street islands, if and to the extent not maintained on an ongoing basis by a governmental entity or third party; (f) the centralized mailbox area and mailboxes located thereon; if any; (g) any perimeter fencing installed by the Declarant or its affiliates, regardless of whether the same is located on a Lot or Common Property; (h) the entry gate system; (i) retaining walls, where required by the city or county authority governing the maintenance of the retaining walls; and (j) the private Community streets.

In the event that the Association determines that the need for maintenance, repair, or replacement, which is the Association's responsibility hereunder, is caused through the willful or negligent act of an Owner, or the Occupants, family, guests, lessees, or invitees of an Owner, then the Association may perform such maintenance, repair, or replacement and all costs thereof incurred by the Association shall be assessed against the Lot of such Owner as a specific assessment. All maintenance performed by the Association shall be consistent with the Community-Wide Standard. The Board of Directors may authorize the officers of the Association to enter into contracts with any Person or Persons to perform maintenance hereunder on behalf of the Association.

The Association shall have the right, but not the obligation, to maintain property it does not own, regardless of whether such property is located within or outside of the Community, where the Board has determined that such action would benefit the Owners. In addition, the Board of Directors, without the consent of the Members, but with the consent of the Declarant, may enter

into easements and covenant to share cost agreements where the Board has determined that such action would benefit the Owners.

**Section 2. Owner's Responsibility.** Except for maintenance performed on or to a Lot by the Association pursuant to Paragraph B Section 1 hereof, all maintenance of and repair and replacement to the Lot and all structures, landscaping, and other Improvements located thereon shall be the sole responsibility of the Owner thereof, who shall maintain such Lot in a manner consistent with the Community-Wide Standard and this Declaration. Such maintenance obligation shall include, without limitation, the following: (i) prompt removal of all litter, trash, refuse, and waste; (ii) lawn mowing on a regular basis; (iii) tree and shrub pruning; (iv) watering landscaped areas; (v) keeping improvements and exterior lighting in good repair and working order; (vi) keeping lawn and garden areas alive, free of weeds, and attractive; (vii) keeping driveways and walkways in good repair; (viii) complying with all governmental health and police requirements; (ix) maintaining grading and storm water drainage as originally established on the Lot; (x) periodic maintenance and repair of exterior damage to Improvements; periodic maintenance, repair, and replacement to the dwelling located on a Lot, including, without limitation, periodic painting and pressure washing as needed; (xii) all maintenance, repair, and replacement to all storm water drainage facilities, including all pipes, wires, and conduits related thereto, which exclusively serve a Lot; and (xiii) maintaining, repairing, and replacing all pipes, wires, and conduits, including, without limitation, plumbing, electric, and sanitary sewer systems, which exclusively serve a Lot.

**Section 3. Failure of Owner to Maintain.** In the event the Board of Directors determines that (i) any Owner has failed or refused to properly discharge his obligations with regard to the maintenance and repair for which he is responsible hereunder, or (ii) the need for maintenance, repair or replacement which is the responsibility of the Association hereunder is caused by the willful or negligent act of an Owner or his family, tenants, guests, licensees or invitees, the Association, except in the event of an emergency situation, may give the Owner written notice of the Association's intent to provide such maintenance, repair or replacement, at such Owner's sole cost and expense. The notice shall set forth with reasonable particularity the maintenance, repair or replacement deemed necessary and shall give the Owner ten (10) days within which to complete such maintenance, repair or replacement, or, in the event such maintenance, repair or replacement is not capable of completion within a ten (10) day period, to commence such work within such ten (10) day period and to complete such work within a reasonable time. If an Owner does not comply with the provisions hereof, the Association may provide such maintenance, repair or replacement at the sole cost and expense of the Owner, and all costs and expenses incurred by the Association shall become part of the assessment for which such Owner is personally liable and shall become a lien against such Owner's Lot.

### **C. COMMON PROPERTY.**

**Section 1. Conveyance of Common Property by Declarant to Association; No Implied Rights.** Declarant may transfer or convey to the Association, at any time and from time to time, any personal property and any interest in improved or unimproved real property. Such conveyance shall be deemed to be acceptance by the Association upon delivery of any personal property or upon recordation of an instrument of conveyance of any interest in real property, and the property shall thereafter be Common Property to be used and, if and as provided in Paragraph

B, Section 1 hereof, maintained by the Association for the benefit of its Members. Until the Conversion Date, Declarant may, upon written notice to the Association, require the Association to reconvey to Declarant all or any portion of the Common Property, improved or unimproved, at no charge to Declarant, without a vote of the Members of the Association, if all or a portion of the Common Property is: (a) found by Declarant to have been conveyed in error, (b) needed by Declarant to make adjustments in property boundary lines, or (c) determined by Declarant to be needed by Declarant due to changes on the overall scheme of development for the Community. The Association hereby constitutes and appoints Declarant as its agent and attorney-in-fact to accept/make on behalf of the Association any such conveyances and reconveyances and to execute on behalf of the Association any and all documents, including, without limitation, deeds, necessary or convenient to effectuate and document any such conveyances and reconveyances, and all acts of such attorney-in-fact are hereby ratified. The power and agency hereby granted are coupled with an interest and are irrevocable by death or otherwise. The Declarant shall not be required to make any improvements whatsoever to property to be conveyed and accepted pursuant to this Section and shall have no duty or obligation to convey any property or property rights to the Association regardless of whether or not any such property has been made available for the use of Owners. The Declarant may reserve, by lease, license, easement, or otherwise such rights of use and enjoyment in and to all or any portion of the property so conveyed as Declarant may reasonably require so long as such reservation is not materially inconsistent with the overall scheme of development for the Community. Neither the recordation of any subdivision plat nor the use by the Owners or maintenance by the Association of any property shall create any rights, easements, or licenses, in the Association or the Owners, express or implied, unless and until any such property rights, easements, or licenses are conveyed by the Declarant to the Association or the Owners, as the case may be, by an instrument recorded in the Office of the Clerk of Superior Court of Walton County, Georgia.

Section 2. **Partition.** The Common Property shall remain undivided and no Owner shall bring any action for partition or division of the whole or any part thereof without the written consent of: (a) all Owners of all portions of the property located within the Community; and (b) all holders of all Mortgages encumbering any portion of the property, including, but not limited to, the Lots.

Section 3. **Condemnation.** If all or any part of the Common Property shall be taken (or conveyed in lieu of and under the threat of condemnation) by any authority having the power of condemnation or eminent domain, the award made for such taking shall be payable to the Association. If the taking involves a portion of the Common Property on which improvements have been constructed and the taking occurs prior to the Conversion Date, the Declarant shall have the right, in its sole discretion, to decide whether the Association shall restore or replace such improvements on the remaining Common Property. If the taking involves a portion of the Common Property on which improvements have been constructed and such taking occurs after the Conversion Date, then the Association shall, if possible, restore or replace such improvements so taken on the remaining Common Property unless seventy five percent (75%) of the Members of the Association vote at a meeting duly called not to restore or replace such improvements and, until Buildout, the Declarant likewise agrees not to restore or replace such improvements. If the improvements are to be repaired or restored, the funds received by the Association shall be disbursed in the same manner as funds are disbursed for casualty damage or destruction as provided above. If the taking does not involve any improvements on the Common Property, or if there is a decision made not to repair or restore, or if there are funds remaining after any such

restoration or replacement is completed, then such awarded funds or remaking funds shall be deposited to the benefit of the Association.

**Section 4. Limitation of Liability.** Owners, Occupants, and their guests shall use the Common Property and all portions of the Community not contained within a Lot, including, without limitation, the Community recreational facilities, at their own risk and assume sole responsibility for their personal belongings used or stored thereon. All Owners and Occupants shall have an affirmative duty and responsibility to inspect the Common Property, including, without limitation, the Community recreational facilities, for any defects, perils, or other unsafe conditions relating to the use and enjoyment thereof. The Association, the Declarant and their respective officers, directors, employees, representatives, and agents shall not be held liable for: (a) personal injury to any person occurring on the Common Property; or (b) loss or damage to personal property, by theft or otherwise, used or stored on the Common Property or on any other portion of the Community.

In addition to the foregoing, the Association, the Declarant, and their respective officers, directors, employees, representatives, and agents shall not be liable for any injury or damage to any person or property (a) caused by the elements, (b) resulting from any rain or surface water which may leak or flow from any portion of the Common Property, or (c) caused by the failure of the Association to maintain the Common Property, unless such failure is caused by the willful misconduct or gross negligence of the Association. No diminution or abatement of assessments shall be claimed or allowed by reason of any alleged failure of the Association to take some action or to perform some function required to be taken or performed by the Association under this Declaration, or for the inconvenience or discomfort arising from the making of improvements or repairs which are the responsibility of the Association, or from any action taken by the Association to comply with any law, ordinance or with any order or directive of any municipal or governmental authority, it being acknowledged by each Owner that the obligation to pay assessments pursuant to this Declaration is a separate and independent covenant on the part of each Owner.

#### **D. INSURANCE AND CASUALTY LOSS.**

**Section 1. Insurance Obtained by Association.** The Board of Directors shall have the authority to and shall obtain insurance for all insurable improvements located on the Common Property or required to be maintained by the Association. Insurance obtained and maintained by the Association shall cover loss or damage by fire or other hazards, including extended coverage, vandalism and malicious mischief and shall be in an amount sufficient to cover the full replacement cost of the insured improvements. Alternatively, the Association may obtain "all risk" coverage in like amounts. Notwithstanding anything to the contrary herein, nothing in this Section 1 shall be construed as obligating the Association to obtain or maintain insurance on a Lot or dwelling or an Owner's or Occupant's personal property.

The Board of Directors shall obtain a public liability policy applicable to the Common Property covering the Association and its Members for all damage or injury caused by the negligence of the Association or any of its Members or agents, and, if reasonably available, directors' and officers' liability insurance. The public liability policy shall have a combined single limit of at least Two Million and NO/100 Dollars (\$2,000,000.00). Policies may contain a reasonable deductible as determined by the Board of Directors.

All such insurance coverage obtained by the Association shall be written in the name of the Association for the benefit of all Owners. All policies shall be written by a company licensed to do business in Georgia, having at least an A- rating as established by A.M. Best Company, Inc. or the most nearly equivalent rating. All casualty insurance policies shall have an inflation guard endorsement and an agreed amount endorsement, if reasonably available. The Board of Directors shall be required to make every reasonable effort to secure insurance policies that provide a waiver of subrogation by the insurer as to any claims against the Board of Directors, the Owners and their respective family, tenants, guests, invitees, licensees, and agents and a waiver of the insurer's right to cancel without first giving thirty (30) days prior written notice of such cancellation to the Association.

In addition to other insurance required by this Section, the Board shall obtain workers compensation insurance, if and to the extent necessary, and a fidelity policy or bond on officers, directors, employees and other persons handling or responsible for the Association's funds. The amount of all such coverage shall be determined by the Board of Directors, using its best business judgment.

Premiums for all insurance obtained by the Association shall be a Common Expense of the Association.

**Section 2. Insurance Obtained by Owners.** By virtue of taking title to a Lot subject to the terms of this Declaration, each Owner acknowledges that the Association has no obligation to provide insurance for any portion of the Lots or dwellings and each Owner covenants and agrees with all other Owners and with the Association that each Owner shall obtain and maintain the following: (a) all-risk casualty insurance on the Lot and all structures, dwellings, and improvements located or constructed thereon, which shall cover loss or damage by fire and other hazards commonly insured under an all-risk policy, if reasonably available, and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard; (b) liability policy covering damage or injury occurring on a Lot; and (c) insurance covering an Owner's or Occupant's personal property.

**Section 3. Damage and Destruction – Insured by Association.** Immediately after damage or destruction by fire or other casualty to any portion of the structure or improvement covered by insurance written in the name of the Association, the Board of Directors or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this Section, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes. Any damage or destruction to property covered by insurance written in the name of the Association shall be repaired or reconstructed unless, within sixty (60) days after the casualty, a proposal not to repair or reconstruct such property is approved by at least seventy-five percent (75%) of the Total Association Vote and the Declarant. If for any reason with the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of the repair, or both, are not made available to the Association within such period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed sixty (60) days. If the damage or

destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the costs thereof, the Board of Directors shall, without the necessity of a vote of the members of the Association, levy a special assessment against the Owner of each Lot subject to assessment under Article VII hereof. Additional assessments may be made in like manner, as necessary, at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the cost of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess funds shall be deposited to the benefit of the Association. In the event that it should be determined by the Association in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, the property shall thereafter be maintained by the Association in a neat and attractive condition consistent with the Community-Wide Standard and this Declaration.

**Section 4. Damage and Destruction – Insured by Owners.** The damage or destruction by fire or other casualty to all or any portion of any structure or Improvement located on a Lot shall be repaired or reconstructed by the Owner thereof in a manner consistent with the original construction or such other plans and specifications as are approved in accordance with Article VIII of this Declaration. Said repair or reconstruction shall be completed within seventy-five (75) days after such damage or destruction occurred or, where repairs cannot be completed within seventy-five (75) days, such repair or reconstruction shall be completed within a reasonable period of time thereafter. Alternatively, the Owner of the Lot may elect to demolish all Improvements on the Lot and remove all debris and ruins therefrom within seventy-five (75) days after such damage or destruction occurred and thereafter maintain the Lot in a neat and attractive, landscaped condition consistent with the Community-Wide Standard and this Declaration. The Owner shall pay all costs which are not covered by insurance proceeds.

## ARTICLE VI

### **ANNEXATION OF ADDITIONAL PROPERTY**

**Section 1. Unilateral Annexation by Declarant.** As the owner thereof or, if not the owner, with the written consent of the owner thereof, Declarant shall have the unilateral right, privilege and option from time to time until the Conversion Date to subject other property owned by the Declarant (hereinafter “Additional Property”) to the provisions of this Declaration and the jurisdiction of the Association by filing of record an amendment to this Declaration describing the Additional Property being annexed. Any such annexation shall be effective upon the filing of record of such amendment to the Declaration, unless otherwise provided therein. Any property so annexed into the Community shall thereafter be a part of the Property for all purposes under this Declaration. The Declarant may unilaterally amend this Declaration to reflect the different character of any Additional Property so annexed. The rights reserved unto Declarant to subject Additional Property to this Declaration shall not impose any obligation upon Declarant to subject any Additional Property to this Declaration or to the jurisdiction of the Association.

**Section 2. Other Annexation.** Subject to the consent of the owner thereof and, until the Conversion Date has occurred, with the consent of the Declarant, upon the affirmative vote or written consent of Members representing a Majority of the Total Association Vote, the Association may annex real property to the provisions of this Declaration to become a part of the

Common Property and the jurisdiction of the Association by filing of record an amendment to the Declaration describing the property being annexed. Any such amendment to the Declaration shall be signed by the president and the secretary of the Association, and any such annexation shall be effective upon the filing of record of such amendment to the Declaration, unless otherwise provided therein.

Section 3. **Withdrawal of Property.** So long as the Conversion Date has not yet occurred, Declarant reserves the right to amend this Declaration unilaterally at any time, without prior notice and without the consent or joinder of any Person, for the purpose of removing certain portions of the Property then owed by the Declarant or its affiliates or the Association from the provisions of this Declaration to the extent originally included in error or as a result of any changes whatsoever in the plans for the Community desired to be effected by the Declarant, provided such withdrawal is not unequivocally contrary to the overall, uniform scheme of development for the Community.

## ARTICLE VII

### ASSESSMENTS

Section 1. **Purpose of Assessment.** The assessments provided for herein shall be used for the general purpose of promoting the recreation, health, safety, welfare, common benefit and enjoyment of the Owners and Occupants of Lots in the Community, including the maintenance of real and personal property all as may be specifically authorized from time to time hereunder and by the Board of Directors.

Section 2. **Creation of Lien and Personal Obligation for Assessments.** Each Owner of a Lot, by acceptance of a deed therefore, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association, in accordance with the provisions hereof, from and after the commencement date established in Section 10, below, (a) general assessments; (b) special assessments established as herein provided; (c) specific assessments against any particular Lot established pursuant to the terms of this Declaration; and (d) transfer assessments imposed in accordance with this Declaration. All such assessments, together with late charges in an amount equal to the greater of Ten and No/100 Dollars (\$10.00) or ten percent (10%) of the amount of the assessment or installment not paid when due, simple interest at the rate of eighteen percent (18%) per annum, costs of collection and reasonable attorney's fees actually incurred in an amount not less than fifteen percent (15%) of the assessments and interest due and owing, shall be a charge on and a continuing lien against each Lot against which each assessment is made. Each such assessment, together with the late fees, interests, court costs and attorney's fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time the assessment became due and his grantee shall be jointly and severally liable for such portion thereof as may be due and payable at the time of conveyance; provided, however, any First Mortgagee who obtains title to a Lot pursuant to the remedies provided in a First Mortgage will not be liable for any unpaid assessments which accrued prior to the acquisition of title to the Lot by the Mortgagee. Assessments shall be paid in such manner and on such dates as may be fixed by the Board of Directors which may include, without limitation, acceleration of the annual assessment for Owners who are delinquent in the payment of such assessments. Unless otherwise provided by the Board, assessments shall be paid in annual installments.

**Section 3. Computation of General Assessments.** It shall be the duty of the Board to prepare a budget covering the estimated cost of operating the Association during the coming year. The budget may include a capital reserve contribution in accordance with a capital budget that may be separately prepared by the Board. The Board shall cause a copy of the budget and the general assessment to be levied therefrom to be mailed to each Member at least thirty (30) days prior to the date on which the budget will become effective. The budget and general assessment established therefrom shall be and become effective unless a written statement of disapproval executed by Members representing at least a Majority of the total Association vote is delivered to the Board no later than seven (7) days prior to the effective date of the proposed budget. In the event that the membership disapproves the proposed budget or the Board fails for any reason to so determine the budget for the succeeding year, then and until such time as a budget shall have been determined, the budget and assessments in effect for the current year shall continue for the succeeding year.

**Section 4. Special Assessments.** In addition to other assessments authorized herein, the Board may in its discretion levy special assessments in any year for the purpose of paying the costs of unexpected maintenance, repairs or replacement of the Common Property or the cost of other unanticipated expenses, needs or obligations of the Association incurred or projected to be incurred in the performance of its obligations in this Declaration. No membership vote shall be necessary prior to the imposition of a special assessment; provided that until the Conversion Date has occurred, no special assessment may be adopted without the consent of the Declarant.

**Section 5. Specific Assessments.** The Board shall have the power to specifically assess pursuant to this Section as it shall deem appropriate. Failure of the Board to exercise its authority under this Section shall not be grounds for any action against the Association or the Board and shall not constitute a waiver of the Board's right to exercise its authority under this Section in the future. The Board may specifically assess Lots for the following Association expenses, except for expenses incurred for the maintenance and repair of items which are the maintenance responsibility of the Association as provided herein:

(a) any Common Expense benefiting less than all of the Lots shall be specifically assessed equitably among the Lots so benefited, as determined by the Board of Directors;

(b) any Common Expenses occasioned by the conduct of less than all of the Owners or their family, guests, tenants, licensees, or invitees shall be specially assessed against the Owner of such Lots whose conduct, or the conduct of such Owners' family, guests, tenants, licensees, or invitees, occasioned any such Common Expenses; or

(c) any Common Expenses significantly disproportionately benefiting all of the Lots shall be assessed equitably among all of the Lots in the Community as determined by the Board of Directors.

**Section 6. Transfer Assessments.** Upon each and every transfer or conveyance of a Lot upon which a dwelling has been constructed, the transferee or grantee becoming the Owner of the Lot at each such conveyance shall be obligated to pay to the Association, in addition to all other assessments levied under this Declaration, simultaneously upon such conveyance a nonrefundable assessment in an amount to be determined by the Board of Directors from time to time (hereinafter the "Transfer Assessment"). All Transfer Assessments collected by the Association

shall be deposited by the Association in a capital reserve account which shall be for the purpose of funding capital costs required to repair or replace improvements which are a part of the Common Property or to personal property deemed reasonably necessary by the Board of Directors. Notwithstanding anything in this Section 6 to the contrary, the Transfer Assessment shall not apply to the sale of a Lot to a relocation company that resells the same Lot within six (6) months from the date of its acquisition of the Lot or to any transfer of a Lot by the Owner thereof to his spouse or children for estate planning purposes, both exceptions being subject to review and approval by the Board of Directors in its sole and exclusive discretion.

**Section 7. Foreclosure Administration Fee.** It is recognized that foreclosures of mortgages on Lots create substantial administrative and other burdens on the Association. These additional burdens on the Association include, but are not limited to, having to monitor the status of mortgages and legal periodicals to determine when foreclosures occur, searching the Walton County, Georgia land records to determine the names of the purchasers at foreclosure sales, contacting the foreclosure purchasers/owners regarding foreclosure-purchaser responsibilities and assessment obligations and updating Association records multiple times to deal with just a single Lot. Pursuant to this Declaration, the Association is authorized to assess individual Owners certain fees and expenses occasioned by and benefiting just those Owners or those Owners' Lots. In accordance with these provisions, and in addition to annual assessments, special assessments, and other charges provided for in this Declaration, any Person who acquires a Lot at a foreclose sale of the mortgage on such Lot, or by deed in lieu of a foreclosure, will be required to pay the Association a Foreclosure Administration Fee in the amount equal to the then current annual assessment of the Association at the time the foreclosure deed or deed in lieu of foreclosure is recorded in the Walton County, Georgia records. The Foreclosure Administration Fee shall constitute a specific assessment as described in this Declaration.

**Section 8. Lien for Assessments.** All assessments assessed against any Lot pursuant to this Declaration, together with late charges, interests, costs and attorney's fees as provided herein, shall be secured by a lien on such Lot in favor of the Association. Such lien shall be superior to all other liens and encumbrances except for the lien for ad valorem taxes, the lien of any First Mortgage covering the Lot, and the lien of any Mortgage recorded prior to the recording of this Declaration. The recording of this Declaration shall constitute record notice of the existence of the lien and the priority of the lien. **Section 2. Function of DRB.** No Improvements shall be erected, constructed, placed, altered, remodeled, maintained or permitted to remain on any portion of the Property, including on any Lot, until plans and specifications, in such form and detail as the DRB may deem necessary, shall have been submitted to the DRB and approved by it in writing, unless such Improvement is developed, constructed or altered by Declarant, affiliates of Declarant or a Builder in which case the Declarant must approve such Improvement. The DRB shall have the authority to select and

employ professional consultants to assist it in discharging its duties and the cost of such consultants shall be paid by the Owner of any Lot for which plans and specifications have been submitted for approval prior to such plans and specifications being considered for approval by the DRB.

Approval of any Plans with regard to a Lot shall not be deemed to be a waiver of the DRB's right, in its discretion, to disapprove similar plans and specifications, or any features or elements included therein, for any other Lot.

(d) If construction has not commenced within one (1) year from the date the Plans are approved, then the approval given pursuant to this Article shall be deemed to be automatically revoked by the DRB, unless the DRB extends the time for commencing construction. In any event, all work covered by such approval shall be completed within three (3) months of the commencement thereof, except for such period of time as completion is rendered impossible or would result in great hardship due to strikes, fires, national emergencies, critical material shortages or other intervening forces beyond the control of the Owner, unless the DRB extends the time for completion.

(b) General.

(i) Lots may be leased only in their entirety; no fraction or portion may be leased without prior written Board approval.

If the fine is not paid by the lessee within the time period set by the Board, the Owner shall pay the fine upon notice from the Association of the lessee's failure to pay the fine. Unpaid fines shall constitute a lien against the Unit.

Any violation of this Declaration, Bylaws, or rules and regulations adopted pursuant thereto by the lessee, any occupant, or any guest of lessee, is deemed to be a default under the terms of the lease and authorizes the Owner to terminate the lease without liability and to evict the lessee in accordance with Georgia law. All costs of self-help, including reasonable attorney's fees actually incurred, shall be assessed against the violating Owner and shall be collected as proved for herein for the collection of assessments.

Section 3. **Duration**. The provisions of this Declaration shall run with and bind the Property and shall be and remain in effect for a period of twenty (20) years after the date that the Declaration is recorded, after which time this Declaration shall be automatically extended for

successive periods of twenty (20) years, unless such extension is disapproved in writing by Members representing greater than a Majority of the total Association vote. A written instrument reflecting such disapproval, if disapproved, must be recorded within the year immediately preceding the beginning of each twenty (20) year renewal period. Every purchaser or grantee of any interest in the Property subject to this Declaration, by acceptance of a deed or other conveyance therefore, hereby agrees that such provisions of this Declaration may be extended and renewed as provided in this Section.

**Section 4. Amendment.** This Declaration may be amended unilaterally at any time and from time to time by Declarant (a) if such amendment is necessary to bring any provision hereof into compliance with any applicable governmental statute, rule, or regulation or judicial determination which shall be in conflict therewith; (b) if such amendment is necessary to enable any reputable title insurance company to issue title insurance coverage with respect to any portion of the Property subject to this Declaration; (c) if such amendment is required by an institutional or governmental lender or purchaser of Mortgage loans, including, for example, the Federal National Mortgage Association or Federal Home Loan Mortgage Corporation, to enable such lender or purchaser to make or purchase mortgage loans on any portion of the Property subject to this Declaration; or (d) if such amendment is necessary to enable any governmental agency or reputable private insurance company to insure mortgage loans on any portion of the Property subject to this Declaration; provided, however, any such amendment shall not adversely affect the title to any Owner's Lot unless any such Owner shall consent thereto in writing. Further, until the Conversion Date, Declarant may unilaterally amend this Declaration for any other purpose; provided, however, any such amendment shall not materially and adversely affect the substantive rights of any Owner hereunder, nor shall it adversely affect title to the Lot of any Owner without the consent of the affected Owner.

In addition to the above, this Declaration may be amended upon the affirmative vote or written consent, or any combination thereof, of Members representing a Majority of the Total Association Vote and, until the Conversion Date, with the consent of the Declarant. A meeting may be called (but shall not require to be called) to consider and vote upon any amendment.

Amendments to the Declaration shall become effective upon recordation, unless a later effective date is specified therein. Until Buildout, no provision of this Declaration which reserves or grants rights, privileges, easements, or any authority to the Declarant shall be amended without the prior written consent of the Declarant. Any procedural challenge to an amendment must be made within two (2) months of its recordation. In no event shall a change of conditions or circumstances operate to amend any provisions of the Declaration or By-Laws.

**Section 5. Severability.** Whenever possible, each provision of this Declaration shall be interpreted in such manner as to be effective and valid. If the application of any provision of this Declaration shall be prohibited or held invalid, such prohibition or invalidity shall not affect any other provision or the application of any provision which can be given effect without the invalid provision or application and, to this end, the provisions of this Declaration are declared to be severable.

**Section 6. Captions.** The captions of each Article and Section hereof are inserted only for convenience and are in no way to be construed as defining, limiting, extending, or otherwise modifying or adding to the particular Article or Section to which they refer.

Section 7. **Perpetuities.** If any of the covenants, conditions, restrictions or other provisions of this Declaration shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provisions shall continue only until twenty-one (21) years after the death of the last survivor of the now living descendants of Elizabeth II, Queen of England.

Section 8. **Indemnification.** In accordance with Section 14-3-850, et seq., of the Georgia Nonprofit Corporation Code, the Association shall indemnify every Person who was or is a party or who is threatened to be made a party to any threatened, pending or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative (other than an action by or in the name of the Association), by reason of the fact that such Person is or was serving as a director or officer of the Association, against any and all expenses, including attorney's fees, imposed upon or reasonably incurred in connection with any action, suit or proceeding, if such Person acted in a manner reasonably believed to be in or not opposed to the best interests of the Association and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. Any indemnification hereunder shall be made by the Association only as authorized in a specific case upon a determination that indemnification of the person is proper under the circumstances.

The officers and directors shall have no personal liability with respect to any contract or other commitment made by them, in good faith, on behalf of the Association (except to the extent that such officers or directors may also be liable as Members of the Association), and the Association shall indemnify and forever hold each such officer and director free and harmless against any and all liability to others on account of any such contract or commitment. Any right of indemnification provided for herein shall not be exclusive of any other rights to which any officer or director, or former officer or director, may be entitled. The Association shall maintain adequate general liability and officers' and directors' liability insurance to fund this obligation, if such coverage is available at reasonable cost, as determined in the sole discretion of the Board.

Section 9. **Contracts Executed During Declarant Control.** All contracts or leases executed by or on behalf of the Association prior to the Conversion Date shall contain, or shall be deemed to contain, a termination clause pertaining to the Association to terminate the contract or lease at any time, without cause and without penalty, upon not more than ninety (90) days written notice.

Section 10. **Books and Records.** The books and records of the Association shall be available to the Members for inspection and copying in accordance with Section 14-3-1602 of the Georgia Nonprofit Corporation Code.

Every director shall have the absolute right at any reasonable time to inspect all books, records, and documents of the Association and the physical properties owned or controlled by the Association. The right of inspection by a director includes the right to make a reasonable number of extra copies of documents at the expense of the Association.

Section 11. **Financial Statements.** Financial statements reflecting the accounts of the Association shall be compiled annually in such a manner as the Board may decide; provided, however, after having received the Board's financial statements at the annual meeting, the Members representing a Majority of the total Association vote, and until the Conversion Date, with the consent of the Declarant, may require that financial statements of the Association be audited as an Association expense by a certified public accountant. Upon written request of an

institutional holder of a First Mortgage, such holder, upon payment of the costs associated therewith, shall be entitled to receive financial statements within ninety (90) days of the date of the request.

Section 12. **Notice of Purchase.** Upon acquisition of an interest in the Property, the acquiring Owner shall notify the Board in writing of the name of the acquiring Owner and such other information as the Board may reasonably require.

Section 13. **Estoppel Certificates.** Upon the request of any Member, the Board or its designee shall furnish a written certificate signed by an officer or agent of the Association regarding unpaid assessments levied against that Member's Lot and any violations of the Declaration, By-Laws, or Rules and Regulations, by an Owner or occupant of such Owner's Lot. Such certificate shall bind the Association with respect to the foregoing matters. The Association may require the advance payment of a processing fee established by the Board from time to time.

Section 14. **Agreements.** All agreements and determinations, including settlement agreements regarding litigation involving the Association, lawfully authorized by the Board shall be binding upon all Owners, their heirs, legal representatives, successors, assigns and others having an interest in the Community, except that no such agreements shall be binding as to the Declarant until Buildout without the written consent of the Declarant.

Section 15. **Implied Rights.** The Association may exercise any right or privilege given to it expressly by the Declaration, the By-Laws, the Articles of Incorporation, or the Rules and Regulations and every other right or privilege reasonably to be implied from the existence of any such right or privilege given to it therein or reasonably necessary to effectuate any such right or privilege.

Section 16. **Variations.** Notwithstanding anything to the contrary contained herein, until Buildout, the Declarant shall be authorized to grant individual variances from any of the provisions of this Declaration or the By-Laws, except the provisions of Article VII of this Declaration regarding assessments, if it determines that waiver of application or enforcement of the provision in a particular case would not be inconsistent with the overall scheme of development for the Community.

Section 17. **Conflict.** In the event of a conflict between the provisions of this Declaration and the provisions of Georgia law, then to the extent that the provisions of Georgia law cannot be waived by agreement, Georgia law shall control.

Section 18. **Security.** ALL OWNERS, OCCUPANTS, GUESTS, LICENSEES, AND INVITEES, AS APPLICABLE, ACKNOWLEDGE THAT THE DECLARANT, THE ASSOCIATION, THE BOARD AND THE DRB DO NOT REPRESENT OR WARRANT THAT ANY SAFETY OR SECURITY MEASURES WILL BE IMPLEMENTED IN THE COMMUNITY OR, IF IMPLEMENTED, THAT SUCH SAFETY OR SECURITY MEASURES MAY NOT BE COMPROMISED OR CIRCUMVENTED, OR THAT ANY SUCH SAFETY OR SECURITY MEASURES WILL IN ALL CASES PROVIDE THE DETECTION OR PROTECTION FOR WHICH THEY ARE DESIGNED. EACH OWNER, OCCUPANT, GUEST, LICENSEE, OR INVITEE, AS APPLICABLE, ACKNOWLEDGES AND UNDERSTANDS THAT THE DECLARANT, THE ASSOCIATION, THE BOARD AND DRB

ARE NOT INSURERS AND THAT EACH OWNER, OCCUPANT, GUEST, LICENSEE, AND INVITEE ASSUMES ALL RISKS OF PERSONAL INJURY AND PROPERTY DAMAGE AND FURTHER ACKNOWLEDGES THAT DECLARANT, THE ASSOCIATION, THE BOARD, AND DRB HAVE MADE NO REPRESENTATIONS OR WARRANTIES, NOR HAS ANY OWNER, OCCUPANT, GUEST, LICENSEE, OR INVITEE RELIED UPON ANY REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OR MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE RELATIVE TO ANY SAFETY OR SECURITY MEASURES IMPLEMENTED OR APPROVED.

Section 19. **Gender and Grammar.** The singular whenever used herein shall be construed to mean and include the plural, when applicable, and vice versa, and the use of the masculine or neuter pronoun shall include the feminine, when applicable, and vice versa, wherever the context requires or permits.

Section 20. **Interpretation.** In all cases, the provisions set forth in this Declaration shall be construed together and given that interpretation or construction which, in the opinion of Declarant, or the Board after the Conversion Date, will best evidence the intent of the general plan of the Community. The provisions hereof are to be liberally interpreted and, if necessary, they shall be so extended or enlarged by implication as to make them fully effective.

Section 21. **Entry Gate System.** Each Owner, by accepting a deed to a Lot, shall be deemed to acknowledge and agree to the following with respect to the Community entry gate system:

(a) The board of Directors, with the consent of the Declarant, shall determine when the Community entry gate system will be operational.

(b) Nether the Declarant, the Association, nor their respective officers, directors, members, partners, representatives, or agents shall be responsible for the security of Owners, occupants or their family members, guests, invitees, or property. NEITHER THE DECLARANT, THE ASSOCIATION NOR ANY OWNER OR OCCUPANT GURANTEES OR ASSURES TO ANY OTHER OWNER OR OCCUPANT NOR ANY PTHER PATY WHOMSOEVER THAT THE COMMUNITY ENTRY GATE SYSTEM WILL IN ANY MANNER WHATSOEVER PROVIDE PERSONAL PROTECTION OR SECURITY TO ANY OWNER OR OCCUPANT, THEIR PERSONAL PROPERTY OR TO GUESTS OR INVITEES, OR TO ANY OTHER PERSON, AND EACH OWNER, BY THE ACCEPTANCE OF A DEED TO A LOT, SHALL HAVE ASSUMED THE ENTIRE RISK AS BETWEEN SUCH OWNER AND DECLARANT OR THE ASSOCIATION, AS APPLICABLE, FOR ANY LOSS OR DAMAGE TO PERSON OR PROPERTY WITHIN THE COMMUNITY ARISING FROM ANY DEFICIENCY, FAILURE, OR DEFECT IN THE COMMUNITY ENTRY GATE SYSTEM OR OTHERWISE.

(c) All governmental authorities shall have access to the Community for law enforcement, safety, and emergency purposes. Each Owner shall look solely to the applicable governmental authority for the provision of law enforcement and police protection.

(d) The Community entry gate system is not indented to replace or to serve in lieu of individual alarm systems or other measures designed to provide security to a Lot. Each Owner is

encouraged to install personal security devices upon such Owner's Lot to the same extent that would be prudent if the Community entry gate system did not exist.

(e) The Community entry gate system will be installed based upon the representations of vendors regarding the operation and performance capabilities of the components thereof.

(f) DECLARANT DISCLAIMS ANY AND ALL REPRESENTATIONS AND WARRANTIES, EXPRESS OR IMPLIED, AND MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY NATURE WHATSOEVER REGARDING THE COMMUNITY ENTRY GATE SYSTEM, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR THE PURPOSES FOR WHICH IT WAS DESIGNED. Declarant does not guarantee that the Community entry gate system will avert or prevent occurrences or consequences which the Community entry gate system is designed to avert or prevent.

(g) The Community entry gate system shall be owned, operated, and maintained by the Association at its sole cost and expense and the costs associated therewith shall be included in the general assessment as provided in Article VII, Section 3 hereof. Declarant shall not be required to operate or maintain the Community entry gate system.

(h) Each Owner shall use the Community entry gate system in the proper manner and within the rules and regulations relating thereto as may be adopted from time to time by the Board of Directors.

Section 22. Disclosures Regarding Private Streets. The Association is responsible for maintaining the private Community streets, sidewalks, street signs, any street medians and islands located along such private streets and any landscaping adjacent thereto. The costs associated with such maintenance shall be included in the general assessment as provided in Article VII, Section 3 hereof.
